

### Audition results: SAMRO Hubert van der Spuy National Music Competition 2018

We are celebrating 30 years of the SAMRO Hubert van der Spuy National Music Competition this year! We remain the only competition at this level in SA and have already put a number of young South African musicians on the road to (even international) acclaim and successful careers in music.

The **SAMRO Hubert van der Spuy National Music Competition** is organised and presented by the Tygerberg branch of the South African Society of Music Teachers and was inspired by the SASMT's Hubert van der Spuy. The first competition took place in 1989.

**The mission** of the Samro Hubert van der Spuy National Music Competition is to offer talented young music learners the opportunity to learn from one another in a competition environment and to compete on a national level.

A word from chairperson of the Tygerberg branch of the South African Society of Music Teachers : Hilda Boonzaaier:

“The panel of adjudicators returned from the audition rounds in Pretoria and Parow with the message that music is alive and well. All participants did their best and the adjudicators were surprised with the high quality of playing.

We are enthusiastic and looking forward to the 30<sup>th</sup> competition in September and believe it will be a milestone on the musical calendar. I know all participants work hard to follow their dreams.”

We are excited to announce the successful applicants for the 2018 SAMRO Hubert van der Spuy National Music Competition.
