Chairperson's report.

The Ekurhuleni centre was established on 2 June 2018.

The centre was opened with 16 members and Mrs Jankowitz was transferred later. We now have 17 members.

A very successful concert was held on 29 July 2018. It was not possible to have another concert due to the fact that everyone was so busy preparing for the end of the year activities.

We were very fortunate to have Prof Hubert van der Spuy visiting our centre on 27 October 2018 at John Skinner's house. It was a very interesting and pleasant morning. He gave an inspirational talk on the ABC of Music Tuition. 8 members attended.

A very successful AGM was held on 9 February 2019.

I am looking forward to a year full of musical events. Let's encourage all our students to take part and grow in their musical career.

FINANCIAL REPORT 2019

We currently have R1575 in cash on hand, R800 of which was collected at our first concert. We had no expenses so far for any venues and Prof Hubert van der Spuy held his talk for free, for which we are very grateful. A bank account needs to be opened where the membership fees can be paid into. I suggest that the membership fees remain R250 per year.

Thank you for your support and I am looking forward to a very busy year for 2019 with the help of you all.
